Fella Acoustics

The Perfect Acoustic Solution for Your Space

Fella acoustics enhance the visual style of any space while also reducing unwanted noise. Add Fella acoustics to your space and listen to the difference. The perfect solution for open offices, conference rooms and anywhere else beautiful design is desired.

Fella acoustics add color and design to any space while absorbing extra noise. Fella acoustic panels are manufactured in the USA using recycled PET plastic bottles, which can help gain LEED™ green building credits.
