Numo

A Side Table with Endless Possibilities

This piece has endless uses in your office or home. Numo can be used as an end table next to your sofa or as a TV tray/computer table since the table's leg is offset which makes it easy to pull the table close to you while sitting on your favorite sofa and working on your laptop or enjoying a meal.

Raise the height with a simple lift of the handle and Numo converts into a great bar height table that can easily work in any cafeteria, lounge or collaborative meeting. Featuring a tabletop made from beautiful eye-catching solid bamboo wood or SofTouch.
