

fräsch!

A man with a beard and glasses, wearing a white shirt and dark pants, is sitting on a white stool at a wooden desk, working on a laptop. A woman with long hair, wearing a dark blazer and light pants, is sitting at another desk to the right, holding a white mug. The office has a modern aesthetic with geometric wall art and white chairs with circular patterns. The entire image is overlaid with a semi-transparent geometric pattern.

Step

Frasch was founded on the belief that creating healthy and beautiful office environments leads to happier and highly motivated workforce.

Step

Two Level Table

The Step is a split level bench with 29" and 41" fixed height work surfaces integrated into one table. The two different heights allow for task seating or bar stool/standing position and enough space for 4-6 people to work simultaneously. Step's all wood construction is built with mortise and tenon Birch ply wrapped in SofTouch linoleum. Its simple geometric angular leg shape and large working surface make it a center piece attraction for any office. Integrated desktop power outlets and Fella felt privacy panel, which also acts as cable management. Functions as a perfect touch down station or communal work area with an optimum balance of privacy and openness.
