

DESK DIVIDER

Acoustical Divider

The DIVI family of desk dividers is suited for every style of work space environment, including home office, corporate open concept, call centers, and education spaces. DIVI privacy dividers are made of highly sound absorbing PET felt that is aesthetically pleasing while meeting CDC guidelines for cleaning and disinfecting. Each style of divider is designed to be lightweight but also withstands commercial wear and tear. Assembly and installation is a breeze with minimal exposed hardware or any desktop damage.

Variation

PET Felt uses a traditional 'felting' process to create its panels. This often results in a pleasing "heathered" effect, where multiple tones are present in the fiber. Slight and consistent variations in color should be expected when using this sustainable recycled material.

Installation

Desk divider are available as complete kits that consist of a main divider and two side dividers. Optional strip light can be installed as a plug n play.

* Two-year limited warranty guarantees all of our products are free from defects in the materials and maintain their quality of craftsmanship. See our "Terms and Warranties" sheet for full details.
